Important message to all students

1. When you have reached a level in our Reward System (see following pages for rewards information) you must sign up for your prize with Mrs Waterhouse in the Resource Centre.

Year 7 and Year 8 students must also go to their Head of Community, the Deputy Head (Mr Jones) or the Headteacher (Mr Pailthorpe) for their designated certificates.

For the Governors and LEA Awards, Year 7 & Year 8 students must go to Mrs Kirk (Mr Pailthorpe's Secretary).

2. The Rewards System means that Credit and Merits CAN NOT be carried over to the next Academic Year. Make sure you don't miss out on a prize or certificate in July by falling just short of the required number of merits or credits.

E.T.C Welcomes College Froelicher

On Wednesday 3rd June 09, we had the pleasure of welcoming 49 French students aged between 14/15 from College Froelicher, Sissonne, near Rheims, North East of France,

They arrived at around 9am, all excited about their visit as were our Year 10 French class and a group of our Year 9 students who have opted for French GCSE next year.

The morning started with a welcome speech from Mr Pailthorpe and Mrs Legros, they were then divided up into to groups of around 4-6 students, so that they could interview each other in their respective languages which went really well, enjoyed by all. We also gave them a guided tour of our school which they were very impressed with.

After the tour the students were divided into 7 groups for a quiz, it was great to see the interaction between all the students, the group with the highest score got the top prize, but of course there were consolation prizes for all the other groups.

After refreshments both schools gave a short presentation about their schools and all the fun activities each school has to offer. Unfortunately this fabulous morning had to come to an end, and after swapping email/msn links the French students had to leave us to travel home.

Wow - what a fantastic experience had by students and staff, and well done to all our Year 10 / 9 students involved who behaved extremely well and were great ambassadors to E.T.C.

Freya Coleman said "it made us want to speak more French"

Sam Bonar said "we've made new friends we will keep in touch with"

Natasha Guthrie said "I will definitely learn my French words every week now to get better"

EARTHQUAKE POEM

Trapped inside a pitch black space
Gravel falling on my face
I can not speak
I can not shout
I'll have to wait till they get me out

I feel something above me
I think someone's found me

Suddenly I see some light
It looks to me so very bright
Someone holds me in their arms
I hear their voice it's very calm

SAILING DAY.

We have been invited to take part in a taster day of competitive sailing. The poster below gives the details.

A team is made up of 6 students 3 of whom can hopefully sail a bit, we can have more than 1 team.

The cost of the day is £10 per person.

If interested please let a member of the PE dept. know.

KABs WEEKLY ROUND UP

Wednesday 3rd June:
YEAR 9 GIRLS ROUNDERS

ETC 12½ Rounders
CAUSEWAY 9½ Rounders

The year 9s had their first Rounders match of the summer, at home to Causeway. ETC were focused and knew exactly what each of their roles were. The match consisted of 2 innings, 18 good balls for each.

The girls made an extremely strong start, fielding first they put the pressure on Causeway by not allowing the away side to get any half Rounders; keeping their score low. ETC then stepped into bat and set a high score with **Susmita Tamang** getting a Rounder from each of her goes.

With Causeway now on the chase during the second innings, ETC knew the pressure would be on!! A few lapses in concentration allowed Causeway to get a few easy Rounders, filling their team with more belief that they could win the game. Once ETC had settled however they were back to their organised way. **Immy Robinson** was outstanding at back stop, with some efficient pick ups and throws. **Kez trainer** made some exceptional catches out deep in the field, which made it hard for Causeway to continue in their quest to win the match.

ETC had fielded well and knew that if they went into bat and continued how they did in the first innings, the game would be theirs. Each player looked confident when in, again **Susmita Tamang** was flawless getting another two Rounders. A fantastic performance by all!!

Well done girls, you deserved it!!
